

ARIZONA STATE MUSIC TEACHERS ASSOCIATION

Affiliated with Music Teachers National Association Since 1928

Dear Supporter of Music Arts and Education in Arizona,

On behalf of ALL members, we would like to thank those who helped us this past year to provide our students high quality musical experiences.

Arizona State Music Teachers Association (ASMTA), local association, and collegiate chapter affiliates throughout Arizona are committed to furthering the art of music through programs that encourage and recognize student and teacher development. Together they contribute to the communities in which they serve through ongoing teacher education, certification, performance opportunities, and recognition for excellence in teaching, leadership and service, student performance opportunities, competitions, graded evaluations, and scholarships. With an active membership of over 500, ASMTA members teach more than 12,000 students in public and private schools, colleges and universities, independent studios, and music schools.
